

On The Move Theatre present:

A Murder Mystery... and it's

A
CASE
OF
OLD RELICS

As detectives, you will have the chance to solve the mystery put before you. And to keep you on the right track, the great Herlock Holmes himself is here to help guide you through it!

There are four suspects, (or could that be five?), one death and a lot of overacting! At the end of this comical escapade, each team submits their murderer candidate before the real culprit is revealed.
